

Service Level Agreement (SLA): Enterprise Fiber

1. Uptime Guarantee

We guarantee a 99.99% uptime for all Enterprise Fiber connections.

2. Mean Time To Repair (MTTR)

In the event of a total service disruption, the target MTTR is 4 hours from the time the ticket is acknowledged.

3. SLA Credits

If the uptime falls below 99.99% in a given month, the customer is eligible for a 5% credit on their monthly bill.
